

# Forest Hills Swim Club

**Pool Opens  
May 1**

We are looking forward to opening day, Saturday, May 1. We have been working hard to ready the club for the swim season, including finalizing and implementing a safety plan in accordance with Alameda County Health Department guidelines.

If current county social distancing restrictions remain in place when we open, we will use an online reservation system to stay within capacity while keeping visits easy and convenient, with no waiting in line at the gate. This will be accessible via mobile devices or through our website. You'll also be able to call the pool, or just show up, to check availability. Check our website and/or watch your email for further information.

Annual dues are unchanged.

## **No Work Party**

Due to social distancing guidelines issued by the county, we won't be able to hold the Work Party this year.

## **Memberships Available**

We have some memberships available. It's the best deal in town! Tell a friend.

## **We're Hiring!**

Would anyone you know like to be a Lifeguard (ages 15+), Pool Attendant (new name for Gatekeeper, ages 14+) or Swim Lesson Instructor next season? We offer flexible work schedules and competitive wages. Let us know by emailing [fhswimming@gmail.com](mailto:fhswimming@gmail.com) and we'll notify you of important certification and water safety opportunities.

## *Swim Lessons*

We plan to offer private and semi-private (members of same family) in the mornings and evenings. See our website for info.

## *Received Emails?*

We sent updates on the pool by email this past summer. If you did not receive these and would like to in the future, let us know a good email address at [fhswimming@gmail.com](mailto:fhswimming@gmail.com). You might need to set your spam filter to be friendly to messages from us.

## *Venmo Payments*

You can pay dues via bank account, debit card or credit card on Venmo. Small fee for credit card. Search for username [@FHSwimClub](#) in the app or scan QR code on the invoice to get started.
